

问题：

问题：

```
[root@TsV5Test0gg ~]# netstat -tnul | grep 1521
-bash: netstat: command not found
[root@TsV5Test0gg ~]#
```

参考：<https://askit.io/d/89399-xampplib-line-22-netstat-command-not-found>

netstat is a part of net-tools package, so run this command to install netstat:

sudo apt install net-tools

解决： yum install -y net-tools
