oracle 授权用户查询执行计划

参考： https://www.cnblogs.com/keanuyaoo/p/3331430.html

通过dbms_xplan包查看执行计划是只显示一行：

oracle User has no SELECT privilege on V$SESSION

VSQL_PLAN, VSESSION, V$SQL_PLAN_STATISTICS_ALL, V$SQL

grant select on V_$SQL_PLAN to linkuser;

grant select on V_$SESSION to linkuser;

grant select on V_$SQL_PLAN_STATISTICS_ALL to linkuser;

grant select on V_$SQL to linkuser;
